RE: Jose Alberto Castillo

CONTINUATION:

A Border Patrol Agent responded and observed a brown Suburban traveling on the border levee. As the Agent approached the vehicle, the Suburban immediately came to a stop, and reversed away from the Agent at a high rate of speed. The Agent proceeded to follow the vehicle and observed two occupants through the windshield. The Agent also noted that the driver began to drive erratically and recklessly through an empty field towards the river.

At this time, the Agent activated his emergency equipment, however the driver of the Suburban failed to stop. After a short pursuit, the Suburban crashed into a fence and the Agent observed several subjects attempting to bail out from the vehicle. As the Agent secured the vehicle, he observed multiple subjects in the rear cargo area. Shortly thereafter, the Agent observed a male driver exit the vehicle and abscond. A total of eight subjects were apprehended who were later determined to be illegally present in the United States.

The driver, later identified as Jose Alberto Castillo, a United States Citizen, was eventually apprehended with the assistance of a canine. Agents asked Castillo if he was the driver of the Suburban, to which Castillo admitted he was. Castillo was read his Miranda Rights and transported to the Border Patrol Station to be processed accordingly.

PRINCIPAL STATEMENT:

Jose Alberto Castillo was read his Miranda Rights. He understood and agreed to provide a sworn statement.

Castillo stated he used the brown suburban to pick up the illegal aliens. Castillo claims this is his second time attempting to pick up illegal aliens. Castillo claims that the person who hired him was giving him instructions over the phone. Castillo stated he was going to receive \$1,500 to transport them.

MATERIAL WITNESS STATEMENTS:

Gloria Guadalupe Chan-Tuz and Alejandro Natael Narvaez-Tziu were read their Miranda Rights and agreed to provide a sworn statement.

Chan, a citizen of Mexico, stated she crossed the Rio Grande River along with seven others into the United States. Chan stated that once she crossed the river she boarded a four door gray in color "enclosed truck" (SUV) and was seated in the front passenger seat. Chan stated that when they were leaving the area, they encountered an immigration vehicle who immediately got behind them. Chan was able to describe the driver as a skinny male with dark skin.

CONTINUATION:

Narvaez, a citizen of Mexico, stated he paid \$10,000 (USD) for his smuggling arrangements. Narvaez stated he crossed into the United States on a raft with eight other people who were traveling with him. Narvaez stated he then boarded a tan in color Suburban and laid down on the rear passenger seat. Narvaez stated he was unable to see the driver's face because he boarded through the back of the vehicle, however, he was able to describe the driver as a male because he heard him talking. Narvaez stated that one of the females travelling with him was seated in the front seat. Narvaez stated that the driver was driving fast and when the vehicle stopped, the driver attempted to break the glass but he couldn't.
